

Official Ring of Fire Cards Rules

How to Play

Each card has a rule. Players take turns drawing from the deck and must follow the rule assigned to the card they draw. Here are the classic UK rules:

Ace — Slap Your Face: Last to slap themselves drinks

Two — Fuck You: Choose someone to drink

Three — Toilet Card: Use to leave the table

Four — Fuck Me: Down your own drink

Five — High Five: Last hand up drinks

Six — Make a Fix: Invent any new rule

Seven — Categories: Name things in a category till someone fails

Eight — Pick a Mate: They drink whenever you do

Nine — Bust a Rhyme: Keep rhyming till someone fails

Ten — Waterfall: Start drinking; others follow and can only stop when the person before them does

Jack — Thumb Master: Put your thumb on the table anytime; last to copy drinks

Queen — Question Master: Ask questions to trick people into answering—they drink if they do

King — King's Cup: Everyone pours into the cup. The fourth King drawn must drink it
